Forged Carbon Fiber Shell

The NW5000 is possibly the first wireless power bank featuring a forged carbon fiber shell. Crafted with the same technique used for the Lamborghini Sesto Elemento, it has a unique pattern arrangement with enhanced aesthetic appeal.

Forged Carbon Fiber

Woven Carbon Fiber

Ultra Lightweight Ultra Slim

It offers superior protection while being light and slim, making it the new go-to for tech enthusiasts and outdoor adventurers alike.

- Fingerprint Resistant
- IPX5 Rated
- Highly Durable
- Corrosion Resistant
- Wear Resistant
