

# PHILIPS

car headlight bulb

X-tremeVision

Type of lamp: H1

Pack of: 1

12 V,55 W

More light

12258XV+B1

## Take performance to the X-treme

### Up to 130% brighter light

Philips X-tremeVision car bulbs are among the brightest you can buy. They outshine most other car lamps with up to 130% more brightness and a superior beam length. So you see further, react faster and drive safer.

#### High amount of light, high performance

- One of the brightest bulbs: ultimate light performance
- The safest, road-legal headlights
- See further and react faster with up to 130% more brightness

#### Increased brightness

- Great contrast for a comfortable drive
- Exceptional beam quality and performance
- Significantly whiter light to improve comfort and safety

#### Best-in-class lifetime

- Performance means more light and longer lifetime
- A lifetime of safety so you can see and be seen

# Highlights

## Significantly whiter light

The bright white light (up to 3.500 K) is significantly whiter than standard headlamps. The Philips patented gradient coating technology<sup>TM</sup> produces a more powerful light. So you can enjoy one of the brightest lighting performances and a highly comfortable

## A lifetime of safety

Every potential failure of a spare part is a risk for you and your vehicle. This is especially true for headlights. Every broken headlight lamp reduces visibility and safety for you and the oncoming traffic. Philips X-tremeVision is optimized for a long and reliable lifetime. So you can see and be seen for longer than with any other high performance lamp.

## Exceptional beam quality

With a combination of more light and increased color temperature, Philips X-tremeVision qualifies as one of the best performance beams in the halogen segment.

## Extra light, extra lifetime

Philips X-tremeVision headlights are made for outstanding performance, producing up to 130% brighter light, without compromising on the lifetime. With up to 450 hours\*, Philips X-tremeVision's lifetime is significantly higher than competitor solutions in the more light category. (\*H4 and H7 tested at 13.2V standard voltage)

## Great contrast drives comfort

The increased color temperature in Philips X-tremeVision headlights (available in H1, H4 and H7) allows your eyes to focus better and perceive contrasts in the far distance. This makes driving after dark a far more comfortable and safe experience.

## See further, react faster

Perfect illumination is especially important in the distance – usually between 75–100 metres in front of your vehicle. Philips X-tremeVision boosts your visibility with up to 130% more brightness. This helps you recognise obstacles and any potential danger.

## One of the brightest bulbs

With its optimized high-precision filament geometry, up to 13 bar high pressure gas filling, high precision coating and high quality UV-Quarz glass, Philips X-tremeVision headlights set a new milestone in automotive lighting. They are engineered for the ultimate performance and uncompromising visibility.

## The safest legal car lights

Philips X-tremeVision is by far the safest, easiest and most efficient way to upgrade your car headlights within legal parameters. They are fully ECE certified.

# Specifications

## Product description

**Technology:** Halogen

**Type:** H1

**Range:** X-tremeVision

**Application:** High beam, Low beam

**Homologation ECE**

**Base:** P14.5s

## Electrical characteristics

**Voltage:** 12 V

**Wattage:** 55 W

## Light characteristics

**Lumens:** 1550 ±15% lm

**Color temperature:** up to 3500 K

## Lifetime

**Life time:** Up to 400h

## Ordering information

**Order entry:** 12258XV+B1

**Ordering code:** 36067730

## Packaging Data

**Packaging type:** B1

**EAN1:** 8727900360677

**EAN3:** 8727900360684

## Packed product information

**Pack Quantity:** 1

**MOQ (for professionals):** 10

**Height:** 12.9 cm

**Width:** 2.6 cm

**Length:** 9.5 cm

## Outerpack information

**Gross weight per piece:** 0.44 kg

**Height:** 13 cm

## Marketing specifications

**Expected benefits:** More light

**Product highlight:** Up to 130% brighter light
