

Philips LongLife
Automotive signalling lamp

P21/5 W

12 V 5 W

12499LLECOB2

Simply the Longest lifetime

Lifetime × 4

The longest lasting halogen bulb without compromising on light output. Only Philips lamps have such a low early failure rate

4 x less replacement

- Lifetime is 4 times longer than the market average

4 x less waste of packaging and lamps

- We use 4 times fewer resources for the same amount of lighting time

No replacement needed for 100 000 km

- The lamp will light the road for 100,000 km of driving time

Reduced maintenance, hassle-free lamp

- Four times fewer costs as a result of lamp failure
